GRASS CUTTING SERVICE FOR PENSIONER / DISABLED HOUSEHOLDS

This service is only available to those with no relatives or friends able to undertake grass cutting on their behalf. As this is a very limited service we would respectfully ask applicants only to apply as a last resort.

I hereby apply for Shetland Island Council's grass cutting service. I confirm that I am a pensioner / disabled (delete as applicable) householder living at the above address. I have no friends/relatives living in the area/village/township who can cut my grass.

Have you received this service in the past?

Yes

No

Do you own a dog?

Yes

No

If you do own a dog, please provide us with a telephone number as the grass cutting service will contact you before the cut to ensure your dog is kept indoors. Also, please keep your garden clear of dog foul.

If you are not a pensioner, you must enclose a letter from a doctor confirming that you have a disability which prevents you from being able to cut your grass.

Checks will be made to ensure applicants meet the qualifying criteria. If eligible, the grass will be cut the next time the contractor is in the area. You will be notified if you do not qualify for the grass cutting service.

Please be advised that if your garden is larger than average, the area which is cut by the contractor will be at the discretion of the Housing Service.

The completed form should be returned to the address shown above.
